

STUDENT SCIENTIFIC INTERNATIONAL CONFERENCE

Technical University in Zvolen
Faculty of Wood Sciences and Technology

61st year

Dear ladies and gentlemen, dear friends of science,

please accept the invitation to participate in the 61st International Conference
“Student's scientific and professional activity”.

Deadline for the registration: **14.05.21**

Deadline for submitting of scientific papers: **20.05.21**

Conference and presentations of scientific papers will take place online /MS teams/ on: **25.05.21**

The aim of the conference is to engage students into scientific and research activities and develop their creativity. Students either individually or in teams work on practical projects in cooperation with experienced pedagogical, scientific-research workers as well as professionals. Results of their works are presented and students can exchange their experience within their field of study and research at the ŠVOČ International Conference.

We are looking forward to your participation

Sincerely yours

Assoc.prof.Dr. Iveta Čabalová
